**AFFIDAVIT #2 OF JOSÉ BARRIOS**

I, José Barrios, Student, care of 3800 Finnerty Road, Student Union Building, PO Box 3035 in the City of Victoria, in the Province of British Columbia, make oath and say as follows:

1. I have been an undergraduate student at the University of Victoria ("UVIC") since January 2005 and as such have personal knowledge of the matters and facts set out herein, except where stated to be based on information and belief, in which case I believe those matters to be true.
2. Where I have used defined terms in my affidavit, I adopt the definitions as set out in the petition to this matter.
3. I have reviewed the first affidavit of Lucy Watson in this case that was sworn on December 9, 2010.
4. At paragraph 16 of her first affidavit in this case, Ms. Watson states that it has "always been the practice of the Federation to take into account the stated intention of individual members to have their names removed from a petition

seeking a referendum on continued membership if the document expressing their intention to have their name removed is in compliance with the criteria noted above in paragraph fifteen (15)."

5. At no time have I been advised by the CFS or anyone else of the practice that Ms. Watson refers to in paragraph 16 of her first affidavit in this case.
6. The only rules I was aware of that govern calling a referendum on continued membership were those contained in the CFS bylaws as of August 2009 and, as an individual member of the CFS, I relied exclusively on those rules.
