October 16, 2012

On Friday October 12, 2012, the following letter was sent by the University of Regina Students' Union (URSU) to the Canadian Federation of Students (CFS):

Canadian Federation of Students  
338 rue Somerset Street Ouest/West  
Ottawa, ON, K2P 0J9  
Attn: Adam Awad  
October 10, 2012

Dear Mr. Awad,

Due to the alleged fraud that occurred with a bank account under the control of the Canadian Federation of Students Saskatchewan (CFS-SK) Component, we would like to formally request an audit of the CFS-SK finances. We would like to request this for all fiscal periods dating from the opening of the CFS-SK bank account at the Toronto Dominion Bank or earlier if possible.

Further, we would like to view the following results of any audit:

- The Statements, including attached Notes;
- Any Management Letter provided by the Auditor;
- Management's responses to any Management Letter;
- All Bank confirmations.

Please advise us as to the timeline you expect to be able to provide us with this information.

Thank you,  
Nathan Sgrazzutti,  
President, University of Regina Students' Union  
CFS Local 9
